### Dean Dillon

"There are songwriters, and then there are poets -- artists who magically weave melodies and words into three-and-a-half-minute masterpieces. Dean Dillon is the latter. The Tennessee native hitchhiked to Nashville intent on carving his niche in country music and wound up being one of the most successful songwriters to ever set foot in Music City. ....the rest is history!"

### Jeffrey Steele

Jeffrey Steele along with recording his own material has become a prolific Nashville songwriter, having co-written more than sixty hit songs for such artists as Montgomery Gentry, Tim McGraw, Faith Hill, LeAnn Rimes, Rascal Flatts, Billy Ray Cyrus and many others.

### Tim Nichols

"Now with nearly two dozen smash hits, multiple BMI songwriting awards, a Grammy for Best Country Song, as well as Song of the Year honors from the Country Music Association and Academy of Country Music, Nichols has earned his place among Nashville's most elite and respected tunesmiths."
